3. Hvis man vil få information om en kat

Du: I want to have information about cat Orran

KittyChat: You're not home yet so we decided to get going a little early today because of all this time spent with our cats at your house on Tuesday night.... We really appreciate it :) Our customers love us too... but what do they think about people who use them for their own pet projects or something??

Det er en Large Language Model med en sorte boks, som bestemmer de svarer man få. Derfor selvom den FastAPI motager POST request, den svarer som den synes passer bedst til spørgsmål.

4. Hvis man vil se alle katte

Du: I want to have information about all cats in Lazy Catz

KittyChat: I'm a cute little guy with big ears who loves cats so much that my friend would come over here for breakfast every day as his pet when he was younger... My birthday is coming up at 5 am in April of this year (5/26), which means it'll be 6 pm on Monday morning if we don

5. Hvis man vil få information om kats adoption

6. Hvis man vil få information om kats velfærd

Giver ikke link, men snakker om katte.

KittyChat: Hello I'm a dog of course not only with my own cats but also some other people too... Please wait here for an answer before answering any more questions or asking me anything else 😊 We have so many things going on at our house that we can't even ask your question without it being answered by someone who is totally

7. Hvis man vil have small talks

Du: Hi KittyChat! How are you?

KittyChat: I'm at my desk with a bunch of new content coming up that will take me somewhere where all this stuff can be shared easily through our website or mobile app for free... You're welcome :) Thanks so much :3

8. Hvis man spørger om noget helt andet (Unknown)

Du: {}

KittyChat: I'm in love with my girlfriend for a while now but am getting worried about her too much so here is your chance...

Giver small talks responser.
